

## FS 450 (\*GH-FS 450)

### DONNÉES GÉNÉRALES

#### FRONTAL FEET SUPORT

Frontal feet support for medium and high pressure fans

MB22/9-28/11 and MB31/12-45/18

Option frontal feet for models between 22/9 and 45/18

NIMUS, NIMAX and IGNÉO

Models of size 500 and above are supplied with a front support foot, for the other models the front support foot is optional.

MBGR, MTGR\*, MBRU, MTRU\*, MBRM, MTRM\*, MTRL\*, MBCA, MTCA\*, MBZM P/R and MTZM P/R\*

Models of size 560 and above are supplied with a front support foot, for the other models the front support foot is optional.

AATZA\*, AATVC\*, AATVP\*, AATVG/N\* and AATVM\*

Models of size 710 and above are supplied with a front support foot, for the other models the front support foot is optional.

AAZA, AAVC/N, AAVP/N, AAVG/N, AAVM, AAVA and AATVA\*

Optional frontal support in all models. For models until size 630 it can be supplied as an accessory, for models of size 710 and above the frontal support is welded and it must be ordered with the fan (under request)

\* For system 12 fans a special baseframe is needed for installing the frontal support

Generic image, in some models the real foot may differ from the shown image
